

## **Adult Community Autism Program (ACAP)**

### **Network Provider Directory September 1, 2021**

#### **HOW TO USE THIS DIRECTORY**

This Keystone Autism Services Network Provider Directory has important information about the professional, hospital, facility and ancillary providers that are a part of the Adult Community Autism Program (ACAP) Provider Network.

Keystone Autism Services is pleased to offer you this directory and reminds you to work closely with your assigned ACAP Supports Coordinator to connect you with the Primary Care Physician (PCP) of your choice. Your Supports Coordinator (SC) and other KAS staff can help you schedule behavioral and medical health services as well as help you arrange transportation to and from services when needed.

**Keystone Autism Services  
2021 Provider Directory**

Your directory is listed alphabetically by service type including Behavioral Health, Dentistry, Family Medicine/Primary Care Physician, and Specialty Services. Then for each service category, the directory is sorted by the county where the service is provided. Some providers offer services in all counties and will appear in the directory before individual counties are listed. Otherwise, the county is listed alphabetically. More detailed service information might be provided under “Services”. For example, under Behavioral Health, you might see “Services: Individual Counseling, Group Counseling” to indicate the detailed service type).

The Network Provider Directory is also available in 18 font (hard copy and on the KAS website).

**OTHER LANGUAGES**

If you need a provider who speaks a language other than English and that provider is unable to accommodate the language need, a Medical Assistance Language Line can be used to arrange interpreter services by calling 1-866-872-8969. Your Supports Coordinator can also help you with using the language line or to help you find a provider who meets your needs or will arrange for an interpreter service free of charge.

**DIRECTORY UPDATES**

**Keystone Autism Services  
2021 Provider Directory**

Keystone Autism Services updates the directory as changes occur within the ACAP Provider Network. You can work with your SC and other KAS support staff to get an updated copy or please check our website for updates.

A revision date on the front page will tell you when the last update was made. If a network provider that you had previously chosen no longer participates in the network, your SC will help you access a network provider of equivalent training and experience.

If you are not pleased with an ACAP provider, please tell your SC about your dissatisfaction either verbally or in writing. Your SC will work with you to address your concerns. If you wish to change your PCP or other provider, your SC will assist you with accessing a new provider within fourteen (14) days of your request to change.

Participants may seek a second opinion from a qualified health care professional within the network, if available, and if not available, your SC can help you get a second opinion from a qualified health care professional outside of the network, at no cost to you.

Please remember that maintaining contact with your SC, utilizing a provider within the ACAP provider network and obtaining a referral, when indicated, are all important in order to ensure that your services are paid for through ACAP. If at any time you have questions about ACAP coverage or the provider network, please contact your SC. You can also contact KAS

**Keystone Autism Services  
2021 Provider Directory**

ACAP Provider Relations at 717-220-1465 or Toll Free at 1-877-501-4715.

**IMPORTANT TIMELINES FOR YOUR AWARENESS**

Your SC can help you schedule all medical appointments for you, adhering to established timelines for service delivery.

Within fourteen (14) days of enrollment into ACAP, you will be assigned a PCP or Specialist, if you have not chosen from the network directory provided.

Within three (3) weeks of enrollment into ACAP, you will need to have a physical exam, with vision screening, completed by your PCP, unless you received a physical exam within three (3) months prior to the enrollment into ACAP.

Your SC can assist you with scheduling a physical exam, including vision screening, on an annual basis. This is an ACAP requirement.

**IF YOU NEED EMERGENCY SERVICES, GO TO THE NEAREST EMERGENCY FACILITY OR CALL 911 FOR ASSISTANCE.**

**ACAP DOES NOT REQUIRE PRIOR AUTHORIZATION FOR EMERGENCY SERVICES.**

**Keystone Autism Services  
2021 Provider Directory**

If you have an urgent medical or behavioral need that does not require an emergency facility or 911 assistance, your SC can help you arrange to be seen within twenty-four (24) hours of your request.

If you need a routine medical appointment with your PCP, your SC can help you schedule the appointment within seven (7) days of your request.

If your PCP has referred you to see a Specialist, your SC can help you schedule your appointment within seven (7) days of the referral by the PCP.

**AFTER HOURS CARE**

Keystone Autism Services will ensure that the Provider offers emergency on-call services twenty-four (24) hours per day, seven (7) days per week and that service hours offered to ACAP Participants the same way those services offered to other MA service recipients.

Keystone Autism Services can also be reached, twenty-four (24) hours per day, seven (7) days per week by calling 717-220-1465 or Toll Free at 1-877-501-4715.

**SERVICE AREA**

**Keystone Autism Services  
2021 Provider Directory**

ACAP service area includes providers in Chester, Cumberland, Dauphin and Lancaster Counties. In addition, providers based in counties adjacent to the three counties named may participate in ACAP to better serve Participants.

**OUT OF AREA COVERAGE**

ACAP Participants may receive out of area emergency services and must contact Keystone Autism Services at 717-220-1465 or Toll Free at 1-877-501-4715 after receiving emergency service care. Any follow-up care to an emergency service while traveling outside of the service area must be pre-authorized by Keystone Autism Services.

If you require urgent health services (non-emergency care) while traveling outside of the service area, you must call Keystone Autism Services at 717-220-1465 or Toll Free at 1-877-501-4715 to receive prior authorization.

ACAP does not pay for routine care (such as a physical) or other non-urgent care provided outside of the Provider Network.

**EYE EXAMS AND EYEWEAR**

There is no waiting period to receive eye coverage through ACAP. Each Participant enrolled in ACAP is eligible for an annual eye examination. The annual eye examination must be completed by an eye doctor who participates in ACAP's Provider Network.

**Keystone Autism Services  
2021 Provider Directory**

Annual eye examinations can be scheduled by your SC or you can elect to schedule the appointment yourself. If you do not wish to utilize the Supports Coordinator for scheduling it is important to contact your SC with the time, date, and place where the appointment will occur after you or your family schedule the examination. Upon arrival to your eye examination provide the facility with your ACAP insurance card, as well as any and all other insurance cards from which you receive coverage.

Unless you have vision coverage through other insurance, each Participant of ACAP who receives a prescription for corrective lenses is eligible for one pair of eyeglasses (frames and lenses) per calendar year; contact lenses can be substituted for eyeglasses. Participants are not covered to receive both eyeglasses and contact lenses within the same calendar year unless deemed medically necessary. Eyeglasses (frames and lenses) are covered up to \$200 all-inclusive cost; any additional fees are the responsibility of the Participant.

Contact lenses can be substituted for eyeglasses with the total allowable expense not to exceed \$200 for the total cost of the lenses per calendar year. Necessary solutions, eye drops, cleaners, etc. that are needed for the wear of contact lenses are not the responsibility of ACAP.

Conditions that require additional treatments, such as eye infections, cataracts, and glaucoma, are considered medically necessary and said treatment is covered through the ACAP Provider Network.

## **CHOOSING A PROVIDER**

Your Supports Coordinator can assist you with choosing your Primary Care Physician, and / or Specialist. Some of the things you should think about when choosing a provider are:

- Is the office conveniently located?
- Do you have a current or previous relationship with a provider or physicians group?
- Do you have language or other special needs that may require translation services?

## **MEDICARE AND PRIVATE INSURANCE**

If participants have Medicare and / or private insurance, services must be processed through that insurance prior to using ACAP insurance. Providers should be selected based on that insurance's guidelines and do not have to be an in-network provider with ACAP. However, those providers should be given the ACAP insurance information for processing claims where ACAP may have some payment responsibility (e.g. copays).

## **IMPORTANT REMINDERS**

Please contact your SC regarding all appointments and services that you receive regardless of your other insurances.
